BIOGRAPHY: On a separate piece of paper, please write a *brief* autobiography (about 150 words), including how you first found out about GROW BIOINTENSIVE, how you intend to use the information you learn, and how you intend to be living and using these techniques 10 years from now. Also, briefly describe your current garden: the size of your growing area; what percent of that area is double-dug; the crops you grow for compost, food, and/or income. This biography (possibly edited for space considerations) will be included in the workshop program to facilitate networking among participants. Supplemental information may be shared with us, if desired.

LUNCH: (We are not able to accommodate food recipes for allergies, such as nuts and wheat.)

(Choose one) I prefer vegetarian vegan meals. I will bring my own food.
